NORTHWEST EYE SURGEONS

Our Commitment to you remains the same.
Practice Transition Effective
January 1, 2027

Dear Valued Patients:

We hope this letter finds you well. We are writing to share an important update about our practice.

Effective January 1, 2027, **Northwest Eye Surgeons will no longer be affiliated with The Eye Physicians**. Although our business relationship is changing, our commitment to providing you with exceptional eye care remains unchanged.

What does this mean for you?

- Your care will continue without interruption.
- The same physicians, providers, and staff will continue to serve you at our Upper Arlington and New Albany offices.
- Your medical records will remain secure and available for your ongoing care.
- Existing appointments will continue as scheduled.
- We will continue to provide the high-quality, personalized eye care you have come to expect from our team.

This transition allows Northwest Eye Surgeons to continue focusing on the needs of our patients and community while maintaining the highest standards of clinical excellence and customer service.

We are grateful for the trust you place in us and appreciate the opportunity to care for your vision and eye health. We look forward to serving you and your family for many years to come.

If you have any questions about this change, please feel free to contact our office.

Thank you for choosing Northwest Eye Surgeons.

Warm regards,

Northwest Eye Surgeons
